Subscription Services

3.1 Subscription Services are provided on either a monthly or annual basis, with pre-payment required. All payments are non-refundable, except as otherwise specified in these Terms and Conditions.

Upon renewal, the applicable standard list price at the time of renewal shall apply. Scratcher’s list price shall mean the publicly available standard pricing applicable at the time of renewal or, where no public pricing exists, Scratcher’s standard commercial pricing applied to comparable customers.
The obligation to pay renewal fees arises automatically upon renewal and is not conditional upon issuance of invoice.

18.3 Each party shall be entitled to prematurely terminate this Agreement for cause in writing where the other party is in material breach of its obligations under this Agreement and fails to effect rectification within ten (10) days of a written demand thereof or if the other party becomes bankrupt or otherwise insolvent. If Customer terminates this Agreement for cause (including termination in accordance with sections 10 (Annex 2, section 7), 16.3, and 19.7), Scratcher will promptly refund any prepaid but unused fees covering the use of the Subscription Service after termination. Fees are otherwise non-refundable. Scratcher shall be entitled to terminate this Agreement where such termination rights are explicitly set forth in this Agreement. If Scratcher terminates this Agreement, Customer will promptly pay all unpaid fees due through the end of the Subscription Term. The Customer hereby agrees that Scratcher will bill the amount of such unpaid fees to the credit card provided to Scratcher or issue an invoice for payment, as applicable.

18.4 Termination shall only be valid if sent in writing to contact@scratcher.io
and shall only become effective upon written confirmation from Scratcher.
Customer bears the risk for ensuring that termination notice is received by Scratcher within the applicable notice period.
Non-payment does not constitute termination.

Miscellaneous

19.1 This Agreement, including its annexes and amendments hereto, constitutes the entire agreement between the Parties and supersedes all prior agreements, proposals, or representations, written or oral, concerning its subject matter. Scratcher objects to and rejects any additional or different terms proposed by Customer, including those contained in Customer's purchase order, acceptance, or website. Except for what is explicitly stated in this Agreement, no modification, amendment, or waiver of any provision of this Agreement shall be effective unless in writing and either signed or accepted electronically by the party against whom the modification, amendment, or waiver is to be asserted.

19.2 These Terms & Conditions will in all respects replace and supersede any previously agreed terms and conditions between Customer and Scratcher with effect also for any previously agreed agreement and for any otherwise previously ordered Services, and any such previously agreed Agreement or Services will thus in all respects be governed by this Agreement. In the event of any conflict or inconsistency between the provisions of these Terms & Conditions and an agreed written amendment between Scratcher and Customer, which explicitly and specially revises a specific condition in the Terms & Conditions, such amendment shall prevail.

19.3 If any part of the Agreement is determined to be invalid or unenforceable by applicable law, then the invalid or unenforceable provision will be deemed superseded by a valid, enforceable provision that most closely matches the intent of the original provision and the remainder of this Agreement will continue in effect.

19.4 The Parties agree that no joint venture, partnership, or employment exists between them.

19.5 Neither party shall be liable for any default or delay in the performance of its obligations under this Agreement if such default or delay results from causes beyond its reasonable control, including but not limited to an act of war, hostility, or sabotage, or electrical, internet or telecommunication outage that is not caused by the obligated party. The party claiming to be affected by such force majeure events shall immediately notify the other party in writing and each party shall use reasonable efforts to mitigate the effect of the force majeure event.

19.6 Neither party may assign any of its rights or obligations under this Agreement without the prior written consent of the other party, not to be unreasonably withheld. Notwithstanding the above, Scratcher shall be entitled, in whole or in part, to assign its rights and obligations under this Agreement without Customer's prior consent (i) to a company within the same group of companies as Scratcher; or, (ii) in connection with a sale of all, or substantially all, of the assets of Scratcher to a third party. Scratcher will notify the Customer of such an assignment. This Agreement shall be binding upon and will inure to the benefit of the parties, their successors and assigns of the parties hereto.

19.7 Amendments
Scratcher reserves the right to amend these Terms & Conditions and such amended Terms & Conditions will thereafter govern and apply to the entire Agreement and in all respects replace and supersede any previously agreed terms and conditions between Customer and Scratcher. The amendments shall be made available on https://scratcher.io
or within the Subscription Services. Customer shall be informed of such amendments by email and Customer

shall be deemed to have received such notice within two (2) weeks of the notice being sent by email. Where Customer does not accept the amendment, Customer shall be entitled, within thirty (30) calendar days from the date the email was sent, provided that the changes have a material adverse effect on Customer, to terminate this Agreement effective at the end of the Customer's current Subscription Term. Where this Agreement is not terminated by Customer within the aforementioned time, Customer shall be deemed to have accepted the new terms and conditions of this Agreement.

19.8 Customer acknowledges and agrees that Third Party Sites and Third Party Products are not under Scratcher's control and that, if provided, Third Party Sites and Third Party Products are provided only as a convenience. The availability of any Third Party Site or Third Party Product does not mean Scratcher endorses, supports or warrants the Third Party Site or the Third Party Product and Scratcher disclaims all liability (on behalf of itself and its licensors) with respect to Third Party Products that Customer may use in connection with the Subscription Service.

19.9 The following terms shall survive expiration or termination of this Agreement: Sections 8 (Fees and payments), 9 (Customer Data), 10 (Personal Data (Processor Agreement)), 11 (Intellectual Property Rights), 14 (Confidentiality), 15 (Limited Warranty), 16 (Limitation of Liability), 18 (Term and Termination), 19 (Miscellaneous) and 20 (Disputes) of these Terms & Conditions, all terms of this Agreement requiring Customer to pay any fees for the Services provided prior to the time of expiration or termination and all other provisions of this Agreement that by their nature are intended to survive the expiration or termination of this Agreement.

19.10 No Reliance
Customer acknowledges that it has not relied on any representation, statement, promise, or warranty not expressly set out in this Agreement.

20.2 Notwithstanding any other provisions of this section 20, any action for collection of any payment obligation may be brought in any court with competent jurisdiction.

20.3 Except for actions for non-payment or breach of a party's proprietary rights, no action, regardless of form, arising out of or relating to this Agreement may be brought by either party more than twelve (12) months after the cause of action has accrued except where prohibited by mandatory law.
